Honor and Hope

BRINGING HONOR TO BABIES GONE TOO SOON
AND HOPE TO PARENTS WITH EMPTY ARMS

Honor and Hope is a nonprofit 501(c)3 that provides comforting items as well as information, education and financial support for families that have endured a stillbirth or infant loss. Since 2015 we have provided over 150 Blessing Boxes to families that have endured a stillbirth. We partner with local hospitals to help support and educate families.
